

# The Revolution Nepal

Contact: [therevolutionnepal@gmail.com](mailto:therevolutionnepal@gmail.com)

The Revolution is a movement-based group dedicated to promoting social, political and economic transformation in Nepal through peaceful, democratic and inclusive means.

Our mission is to inspire collective action, raise awareness and work toward equality, justice and sustainable development.

## **Vision**

A just, empowered and progressive Nepal - united in diversity and driven by the spirit of transformation and strong belief on "The Nation belongs to the Citizens".

## **Objectives**

- To mobilize citizens toward positive social and political reform.
- To advocate for transparency, accountability and good governance.
- To promote youth participation and leadership in national change.
- To support environmental sustainability and equitable development.
- To strengthen democracy, freedom of expression and human rights.

## **Current Activities**

- Take Mandates to Ministry
- Appeal to let NCS work Independently
- Tie Up with Cyber Organization's to protect Citizen's data
- Protect Protest Agendas
